Entrant Gift Sponsor

Ball and Ball

Produces antique reproduction hardware of the highest quality. They have built their reputation by only producing items that are true reproductions. Using the 18th century craftsman as a guide they carefully recreate the expertise of that period. All hardware is produced in their small plant in Exton, PA. 610-363-7330 www.ballandball-us.com

The M.K. Morse Company

They have had just one focus for over forty years – make better saw blades and accessories and get them to customers on time. They don't make machinery. They don't make other products. They do one thing and do it very well. Canton, OH. 330-453-8187
